

## World class technology available locally.

For more than six decades, MRM has been a beacon of trust in the roofing industry, honing our craft to perfection. Our mastery of the latest roofing technology is the result of seamless collaboration between our research, technical, marketing, and support teams. This synergy ensures that our valued consumers are always at the forefront of our efforts, receiving the best possible roofing solutions.

**Introducing Lifestile®**, the best stone coated steel roofing tiles built from the latest technology to handle our African needs. Crafted with precision and in conformity to the highest global standards, our manufacturing processes utilize state of art robotics meaning that each tile is made to perfection. Lifestile® is the perfect choice for those looking for superior quality, exceptional performance, and timeless aesthetic appeal to make a statement of style that will stand the test of time.

Beauty lies in the details, and so does safety. When it comes to your roof, proper attention to details ensures both its aesthetic appeal and its ability to protect you. Lifestile® offers more than just roofing tiles, providing comprehensive solutions in the form of matching and essential accessories. These ensure you get a cohesive and polished look that complements your home's architectural style and guarantees optimal functionality.

Lifestile's range of products are precision-engineered and made to such perfection that they come with a **Lifetime Warranty**, offering customers complete peace of mind. Armed with a large service network of an experienced team who offer installation and preventive maintenance guidelines, Lifestile® ensures uninterrupted signature home pleasure for a lifetime.

**“Perfection has to do with the end product, but excellence has to do with the process.”**

- Jerry Moran

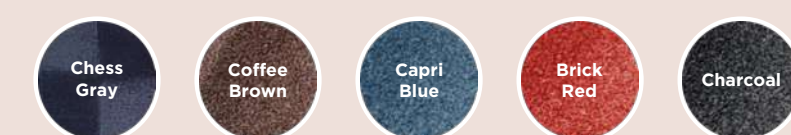

With **Lifestile®**, through three of our most iconic products - Shingle, Supreme and Roman, we are committed to make your home a signature home. Conforming to the highest quality standards and elegance, Lifestile® provides an encompassing range of stone coated tiles and Accessories.

Resilient | Versatile | Elegant

## Lifestile Shingle

Inspired by the traditional slate tiles that had been used for centuries, Lifestile® Shingle provides versatility as it blends seamlessly with both modern and classic architectural styles. The slate-inspired design lends a classic, natural look to your home while perfectly balancing tradition and modernity to give your home that signature look. Available in 10 amazing colours to make your home a signature home.

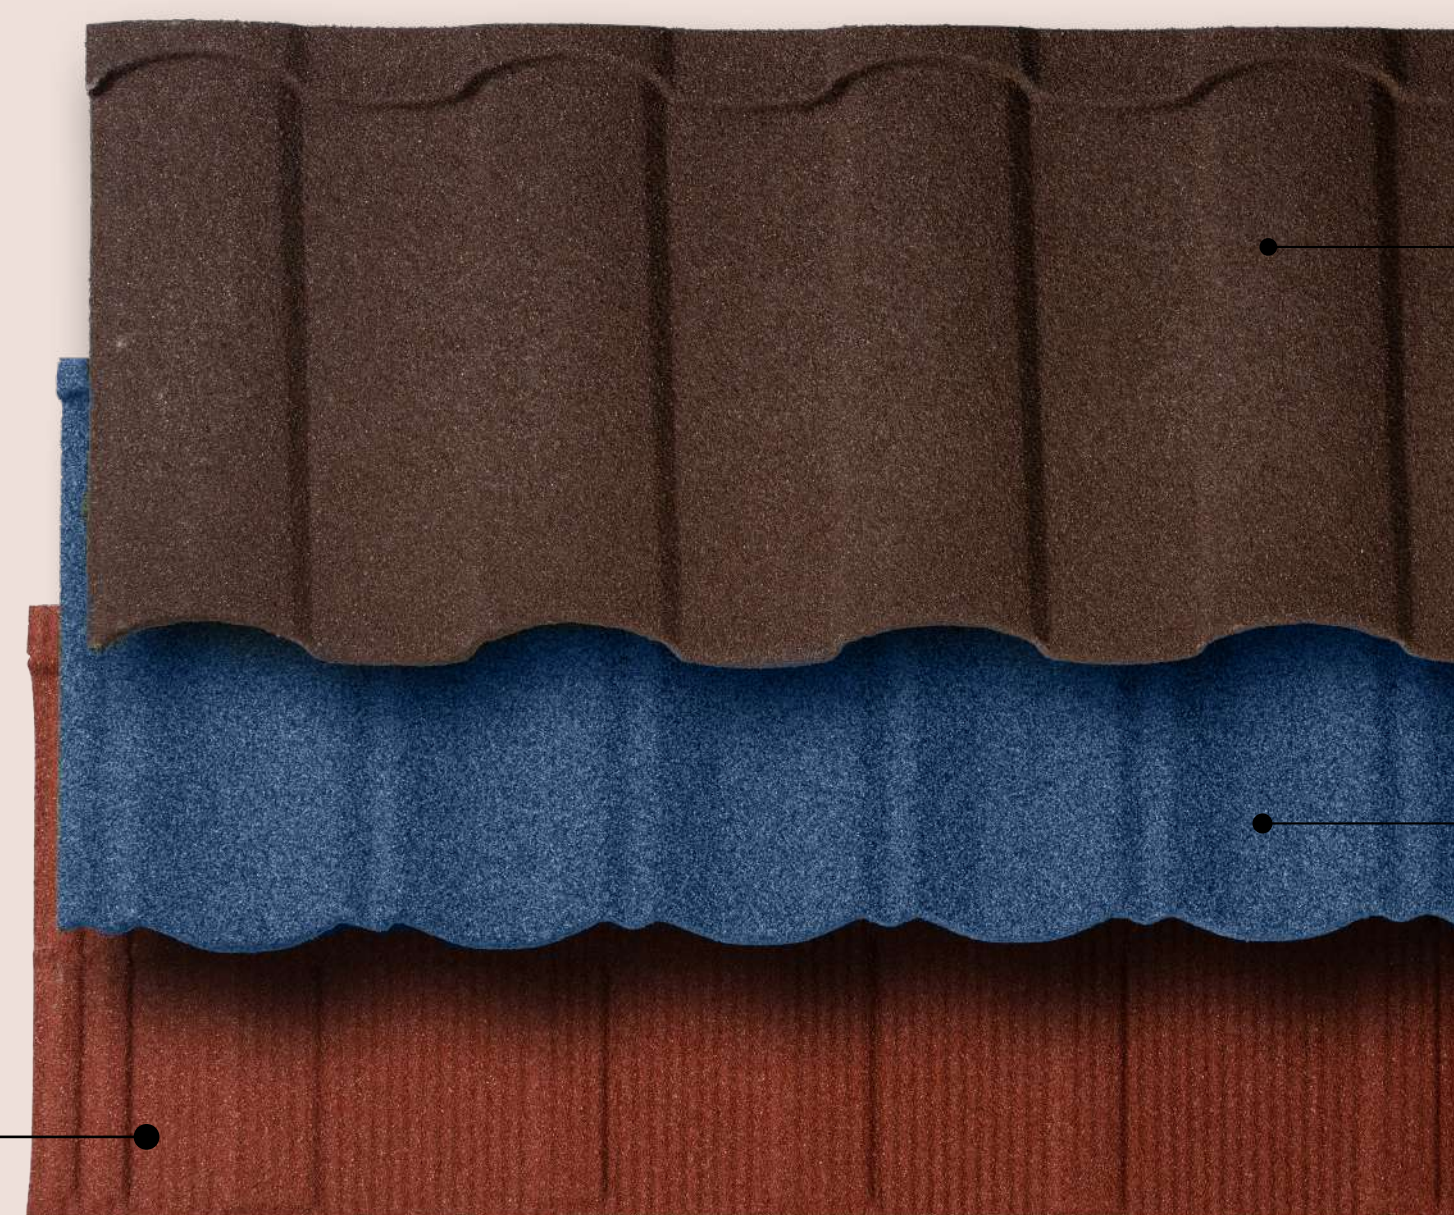

Panel size: 1,360 X 420 mm  
Installed exposure: 1,285 mm X 370 mm  
Panels/M2 : 2.10 PCs  
Weight/M2: 5.69 kg/m2

## Make your home a signature home

Lifestile®, our steel stone coated roofing product is designed to replicate the look and feel of natural stone, while also offering the benefits of modern steel technology. With Lifestile®, you get the best of both worlds - a luxurious appearance and the strength and durability of steel.

Lifestile® is available in a range of colors and styles, allowing you to choose the perfect look for your home or building. Whether you prefer a classic, traditional look or something more modern and sleek, Lifestile® has you covered.

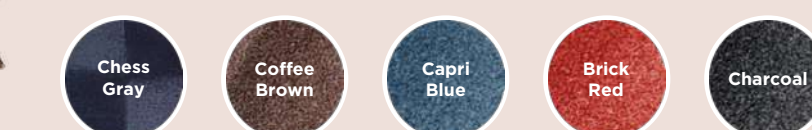

Choose Lifestile® and enjoy the ultimate in luxury and status, along with the peace of mind that comes from knowing you've invested in the highest quality to crown your home.

Grandeur | Timeless | Statement

## Lifestile Roman

They say Rome was not built in one day. Rome's artistic beauty designed for centuries is home to the most aesthetic iconic structures of the world. Lifestile® Roman is an excellent choice for those looking to give their homes a touch of Roman-inspired architectural charm. The Roman architecture is known for its grandeur and timelessness, and Lifestile® Roman steel stone coated tiles reflect these qualities perfectly.

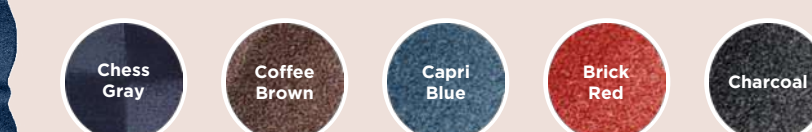

Panel size: 1,322 X 410 mm | Installed exposure: 1,260 mm X 370 mm  
Panels/M2 : 2.15 PCs | Weight/M2: 6.05 kg/m2

Fearless | Adventurous | Masterpiece

## Lifestile Wave

Inspired by the serene and rhythmic waves of the sea, Lifestile® Wave features a unique, undulating design that mimics the ebb and flow of the ocean. Its distinctive wave-like pattern creates a striking visual effect that is sure to make your home stand out from the rest.

Panel size: 1,340 X 410 mm | Installed exposure: 1,265 mm X 370 mm  
Panels/M2 : 2.14 PCs | Weight/M2: 5.98 kg/m2
